Please Note:

The cost of emergency room services may vary significantly from the amount noted above for a variety of reasons, some of which are noted below:

- These estimates do not consider radiologist, other laboratory or pathology charges, or drugs and supplies.
- Actual services provided may be different from the estimated amount because of change of diagnosis.
- Diagnostic tests and supplies used during a visit to the emergency department are separate charges.
- Changes may arise in the patient's condition necessitating more or less care and/or supplies.
- Physician procedures can influence the length of time and supplies used for a procedure.
